

American Legion Post #403 – Veterans Reception Center

This beautiful new building was built with a focus on providing a free venue for families of veterans after internment services at the Iowa Veterans Cemetery. This facility will also be available for rental by the general public.

Now that we have placed this \$1.6 million dollar building in Van Meter, our remaining mortgage is \$200,000. Please consider helping us eliminate that debt so that our facility can become self-sustaining.

In confidence that we will meet our goal through your support, we invite you to our Mortgage Burning Party on Saturday, October 4, 2014.
